

"Anyone Demi Lovato"

Intro

G Dm F C

Uh, uh

Verse 1

G

I tried to talk to my piano

Dm

I tried to talk to my guitar

F

Talked to my imagination

C

Confided in to alcohol

G

I tried and tried and tried some more

Dm

Told secrets 'til my voice was sore

F

Tired of empty conversation

C

'Cause no one hears me anymore

Pre-Chorus

G

A hundred million stories

And a hundred million songs

Dm

I feel stupid when I sing

F

Nobody's listening to me

C

Nobody's listening

G

I talked to shooting stars

But they always get it wrong

Dm

I feel stupid when I pray

F

So, why am I praying anyway?

C

If nobody's listening

Chorus

G

Dm

Anyone, please send me anyone

C/E F

Lord, is there anyone?

C

I need someone

G

Dm

Anyone, please send me anyone

C/E F

Lord, is there anyone?

C

I need someone

Instrumental

G Dm F C

Verse 2

G

I used to crave the world's attention

Dm

I think I cried too many times

F

I just need some more affection

C

Anything to get me by
